HTML • CSS • XML • ActionScript 2.0 • PHP (novice)

Experience

Contract Professional Designer – Goodarts dot Net

September 2000 – Present

Work to meet clients' design needs on websites, logo designs, business cards, sell sheets, posters, charts, tradeshow booth design and displays, and Flash animations (for learning, trial presentation and event promotion). Find and manage additional talent when needed (developers, 3D animators, additional designers, etc.).

Flash Animator – CourseAvenue

June 2010 – Present

Produce Flash online educational modules for online distribution.

Art Director – Legal Visual Services

September 2006 – Present

Produce Flash online educational modules for online distribution.

Contract Designer – ReadyMade Magazine

December 2009 – September 2010

Designed ads for the magazine, posters for tradeshows and promotional postcards.

Art Director – TrainingU 24/7

January 2010 – June 2010

Oversaw the design of web-based interactive training modules. Developed both interaction and design concepts, set design standards, tasked and supervised a team of 3D designers and animators, tracked deadlines, quality-checked and touched-up the final project.

Flash Animator – TrialGraphix

August 2005 – July 2006

Designed Flash animations for use as demonstrative evidence in a courtroom setting, from concept to final presentation, designed with user interface/usability in mind.

Art Director – Administrative Resource Options

March 2004 – July 2005

Managed a staff of creative talent, including print designers, web designers and copywriters. Established lasting relationships with clients to ensure timely execution of projects. Designed and oversaw creation of design projects, such as logo creation, marketing materials, company website, interactive product demos and trade show displays.
